

◆Company Summary

Purpose: Magellan Capital Partners is a Full Service, National Equipment Leasing and Financing Institution headquartered in San Clemente, California. Our primary focus is to provide creative and flexible financing options for commercial entities and equipment suppliers. These relationships have been built on a foundation of trust and confidence utilizing the most competitive programs and financial services in the industry.

Financing Programs: Magellan Capital Partner's Financing Programs are customized. We structure programs to meet the needs of both our customers and equipment suppliers. We are responsible for the entire transaction from the receipt of the application, internally conducting our credit due diligence and financial analysis, documentation and ultimate funding. Our management and team members have the experience and expertise in streamlining this process.

Team: Magellan Capital Partner's consists of a team of the industry's top leasing professional's with a combined 40 years of experience and expertise. Our team has an extensive portfolio of both customer direct and vendor driven transactions. Our funding capabilities are based on established strategic relationships with an extensive network of lenders, financial institutions, and private investors.

◆Mission Statement

Magellan Capital Partner's goal is to form long term partnerships with clients and equipment suppliers. Our relationships are built on a foundation of being able to offer competitive rates with exceptional service while maintaining the flexibility to structure excellent financing terms providing us an opportunity to earn their future business.
